____/____/____

Junior College Letter

Dear _____,

This letter is to inform you of the NCAA regulations governing your official visit to West Virginia State University on ____/____/____ **until** ____/____/____.

- 1.** The first rule deals with the number of official visits. You can only make a total of five official expenses paid visits to Division I and II institutions as per bylaw 13.7.1.2.1. **WVSU may pay for only one visit and before WVSU can pay, a copy of your High School transcripts and test scores must be on file in either the admissions or athletic office. A copy of your completed junior college transcript can be used, if it satisfies number four of this letter.** Either bring a copy with you or have an official copy sent to admissions or me. Facsimiles are acceptable and encouraged to 304-766-3364.
- 2.** The second rule deals with the length of your visit. An official visit will not exceed 48 hours. **The 48 hours begin at the time you reach campus. WVSU can only pay the accommodations for you and your parents or guardians on the visit.** Coaches, siblings, and friends must pay their own way.
- 3.** The third rule deals with a try - outs. **WVSU is allowed to give you a try out if you have exhausted your junior college eligibility.**
- 4.** **The fourth rule deals with your eligibility. In order to be eligible to participate at WVSU, you must either graduate with an Associates Degree from the junior college or present an average 12 hours of transferable degree credit for every full time semester of attendance at the Junior College, a 2.0 grade point average, and have an overall 2.00 grade point average or better and be in attendance at least two semesters fulltime at the same junior college. If you transferred from a four year or attended multiple junior colleges, the rules are different and you need to check your eligibility immediately.**
- 5.** **The Fifth rule deals with amateurism. You must apply to the NCAA Eligibility Center and have the amateurism completed prior to signing any athletic aid agreement or practicing on any team.**

Congratulations on having the opportunity to further your education and athletic career at West Virginia State. Ask your guidance counselor or coach to send that transcript to WVSU Admissions as soon as possible. If you have any questions, feel free to call me at **304 -- 766 -- 3165.**
